# Castle Bromwich Singers present

## October 2013

Programme 50p

Net proceeds to

Many thanks to everyone else who has helped in any way, whose names were not known at the time the programmes were printed.

## Castle Bromwich Singers Cabaret Time

Welcome to Arden Hall for our 46th production. This year's show is set in a cabaret club where we sing and dance the night away.

Castle Bromwich Singers, who were firstly named Castle Bromwich Chorale Society, began in 1967. Since this time we have raised over £61,000.00 for various charities. The charity we are supporting this year is CLAPA, Cleft Lip and Palate Association. CLAPA is the only UK-wide voluntary organisation specifically helping those with, and affected by, cleft lip and palate and we are supporting the local West Midlands branch.

Some of CLAPA's key functions are:

- to run a specialist service for parents and health professionals seeking help feeding babies with clefts
- to develop support for children and adolescents affected by clefts at school and in social settings through such activities as confidence-building camps
- to encourage and support research into causes and treatment of cleft lip and palate

In order to put on the show tonight, Castle Bromwich Singers would like to thank the musicians, led by by our Musical Director, Stella Aston, the stage management team, the lighting and sound team, the wardrobe team and the front of house team.

Castle Bromwich Singers would also like to thank Birmingham Airport Community Trust Fund for the grant of £2000.00, received to help fund our new sound equipment.

Finally, Castle Bromwich Singers wish to express their thanks to Castle Bromwich Baptist Church, Timberley Lane, for the continued use of the church for our rehearsals throughout the year.

*In accordance with the requirements of the Solihull Metropolitan Borough Council:*

- (I) At the end of the performance all exit doors must be open.  
 (ii) All gangways, corridors, staircases and external passageways, intended for exit, whether permanent or temporary, shall be kept entirely free from obstruction.  
 (iii) Persons shall not be permitted to stand or sit in any gangways at the side and rear of seating, except where permitted by the Council and indicated in the notices in the premises.
